

Anticorruption

Transparency and openness are fundamental prerequisites for Balcke-Dürr GmbH to ensure trust and credibility in business dealings and in dealing with business partners. Balcke-Dürr GmbH therefore does not tolerate any form of corruption or other unfair business practices.

a) Corruption

We and our business partners do not tolerate any form of corruption and bribery.

b) Consultants/Agents/Intermediaries

Remuneration of consultants, agents and other intermediaries must not be used to provide improper advantages to business partners, customers or other third parties. We carefully select consultants, agents and other intermediaries according to appropriate suitability criteria.

c) Avoidance of conflicts of interest

We and our business partners avoid conflicts of interest that could lead to corruption risks in connection with their activities for Balcke-Dürr GmbH, our business partners only accept invitations or extend invitations if they are reasonable, are not made in expectation of an improper consideration or other preferential treatment and do not violate applicable law (in particular anti-corruption laws). The same applies to the acceptance or granting of gifts, other benefits or advantages of any kind.

d) Conduct towards public officials

We and our business partners do not tolerate any form of unlawful material and immaterial benefits (including the offering thereof) to public officials or persons comparable to them (whether directly or indirectly via third parties).

e) Political parties

Unlawful material and immaterial donations of any kind (e.g. unlawful donations) to political parties, their representatives as well as to elected officials and candidates for political offices will not be tolerated by our business partners.

f) Donations/Sponsoring

Donations are made by us or our business partners only on a voluntary basis and without expectation of any consideration in return. Sponsorship of individuals, groups or organizations is not used to gain business advantages.

g) Money laundering

We and our business partners take appropriate measures to prevent money laundering in their companies.
